This looks like a run-of-the-mill conference except that the guest list is fairly senior. Any interest? If not, let Amy know.

Subject: TACT Conference Speaker Request

Steve,

Attached is information about a conference sponsored by the Association of Energy Services Professionals International (AESPI) taking place this August. We received a request for an EES Executive speaker for the Symposium, but felt that it would be more appropriate for an Executive from Corporate to consider speaking here. There are Executives from companies such as The New Power Company, Cinergy and Entergy committed to speaking at the event. More information can be found in the document below.

Please let me know if you have questions or comments.

Thank you,
Amy Buehler
