Thanks for handling. Let me know if it begins to interfere unduly with your new responsibilities.

Thanks. I am seeing a few things through to conclusion, and I expect this situation to be one, unless Steve prefers to handle it differently. I think it is a matter of either him or me, and I think this is one item I can keep off of his plate. thanks mcs

Mark,

Congratulations on your new assignment. It has been a long time since I have dealt with Coal but the business desperately needed new ideas and approaches when I knew it. Good luck!

Yes, I did meet with JoAnn last Friday. As required by the agreement she gave me, I have retained counsel and the proposal is being reviewed by my attorney. In light of the announced change, I am wondering if questions and comments should still be addressed to you? Please advise.
