I am sending you the resume of Jennifer Salisbury who is Energy Sec. here in NM and I think she is great! She is looking to move back into the private sector, and if we have an opening or can help her with one, that would be wonderful. Thanks.

Subject: RESUME

<<jenbio revised_.doc>> Leslie -- Thanks a million for getting back to me so quickly. Yes, I'd be willing to relocate. I'm more interested in how challenging the work would/could be (and the level of pay) then where I am physically located. Attached is my resume. Feel free to send it to the headhunter who called you and/or to anyone you think might be interested at Enron. Jennifer

PS I had never talked to Schaefer before the Boise meeting. He was not very impressive and I agree with your assessment that you will not be able to persuade him on the price cap issue.
