Subject: Budget transition info

Hi, Steve -

Dennis Vegas has requested budget information from Kelly on the people from EBS that are transferring over to Corp. Kelly is on vacation now, for the next week and a half, and I wanted to check with you to make sure that it is OK to share these documents with him. They are what Kelly reviewed with you in your initial meeting regarding the subject. He only asked for information on the people shifting to Corp, not the people on redeployment, so I could delete that portion of these documents. Perhaps I could only send him the first document that is about budget, but with the redeployment information taken out.

Sorry to bother you, but I am concerned about doing the right thing and following protocol in Kelly's absence.

Thanks, Stacy
